

TOWARDS A LOW CARBON TRURO

An exhibition organised by Transition Truro.

Saturday 7 February

10.30 am - 3.30 pm

City Hall, Truro

(access off Boscawen Street via the Tourist Information office)

- Drop in and find out how you can help Truro to become a low carbon community.
- Pick up information on how to live a low carbon life.
- Give us your ideas on what else needs to be done.

The day will cover topics such as transport, energy efficiency in the home, local energy solutions, local food production, minimising waste.

Experts will be on hand to answer your questions.

Refreshments will be available. Free entry.

**Transition Truro -
engaging the
community in
designing a vibrant
and sustainable
low carbon future
for Truro and the
surrounding area
to face the twin
challenges posed
by Peak Oil and
Climate Change.**
